

Dear Professors and Colleagues,

We would like to cordially invite you to the 2022 IEEE 2nd Conference on Information Technology and Data Science (CITDS 2022), which will be held in Debrecen, Hungary, on 16–17–18 May, 2022. The event will be organized primarily on an online platform; personal attendance will depend on the actual pandemic situation. The official language of the conference is English. The conference is organized by the Faculty of Informatics, University of Debrecen, Hungary. The sponsors of the conference are the University of Debrecen, the IEEE Hungary Section and the John von Neumann Computer Society.

For further details, please visit the conference website

Announcement

The aim of the 2nd Conference on Information Technology and Data Science is to bring together researchers, developers, teachers from academy as well as industry working in all areas of data and information technologies. Specialists of the above fields, young researchers and PhD students are greatly welcome to participate in this event. The conference provides a good platform for participants to exchange their ideas, results and works on the various topics of the conference.

Sessions

We accept scientific papers from a wide range of applications of theoretical and practical data and information technologies. Sessions of interest include, but are not limited to:

- Artificial Intelligence and its Applications
- Computational Statistics with Applications
- Automata, Logic, and Models of Computation
- Cryptography and Data Security
- Temporal Data Science with Applications
- Queueing Theory and its Applications
- Embedded System Design and Applications
- Computer Graphics and Data Visualization
- New Trends in Software Technology
- Virtual Reality and Related Topics
- Network Theory

Important deadlines

Call for papers: 10 November 2021

Full paper submission deadline: 10 February 2022

Notification of acceptance: 20 March 2022

Registration & payment: 15 April–30 April 2022

Camera ready paper submission: 15 April 2022

Conference: 16–18 May 2022

Registration fees:

Full price:	150 €
Students:	120 €
IEEE members:	120 €
IEEE students:	100 €

Submission of papers

Full papers should be submitted for the conference, abstracts are not allowed. Scientific papers with a minimum of 4 pages and a maximum of 6 pages can be submitted to the conference as IEEE standard double-column A/4 documents. All submissions must be original and not published in an earlier conference volume or in a journal. Furthermore, submissions should not be at the same time under consideration for publication elsewhere. Papers should be submitted through EasyChair.

Conference proceedings

Accepted papers will be included to IEEE Xplore. 'Pay to publish' is not allowed by IEEE. So at least one author of a paper must show up and present the paper at the conference.

Please save the dates of the conference in your calendar.

Kind regards,

The Organizers of CITDS 2022
